## Club Songs

### TUNE: "CHILI BEAN"

From East to West  
 We are the best,  
 Just watch our numbers grow—  
 You'll see that we're not slow,  
 GYRO, GYRO, G-Y-R-O,  
 That's our name;  
 Its meaning's plain  
 In three words, let us say  
 They are Power, Poise and Purpose.  
 Of the three we've got a surplus.  
 That's not all;  
 We're not too small,  
 Just listen while we sing—  
 We can tackle anything;  
 You will see we're out to win!  
 We have vim and vigor too,  
 Every Friday we have stew,  
 Just to get together,  
 Chew a little leather,  
 Talk about our business.  
 Bizness is bizness!  
 We're all one, for work or fun.  
 The Gyro Club—let's go!

### TUNE: "TILL WE MEET AGAIN"

Smile the while and say how do you  
 do:  
 Shake the hand of friend so good  
 and true.  
 Then the skies will seem more blue,  
 It will be a boon to you.  
 The Gyro Club goes on so merrily,  
 Organized as one big family.  
 So work and play and plan each day  
 Till we eat again!

### TUNE: "WE KNOW WHERE THE FLIES GO"

We know where the flies go  
 In the winter time,  
 They go to Vancouver  
 To find a warmer clime.  
 There they get fed up with rain,  
 Come back in the spring again,  
 When once they see the sun  
 They start out to make things hum;  
 Then they sing "we've travelled far  
 But couldn't find a place like Al-  
 ber-ta!"  
 Now you know where flies go  
 On a cold and frosty morning.

### TUNE: "SWEETIES"

For we're all Gyros,  
 G-Y-R-O-S!  
 We're Gyros, wherever we go.  
 For we've got Lawyers and Bankers,  
 Doctors, Agents, Brokers,  
 For they're all in the show,  
 For we are all Gyros,  
 G-Y-R-O-S!  
 We're first in whatever we do:  
 There's Harry, Freddy, Burt, and  
 Jim, the athlete,  
 There's Reg., our president, that we  
 know can't be beat.  
 Because we're all Gyros;  
 G-Y-R-O-S!  
 The city can just watch us grow.
